

## EVOLUCARE ACQUIRES GERMAN CRITICAL CARE SOFTWARE VENDOR HIM GMBH

Le Pecq, December 1<sup>st</sup>, 2021,

Evolucare is proud to announce the acquisition of **HIM GMBH a German company** and its Belgian and Spanish subsidiaries. HIM, the software editor of QCare Anaesthesia, ICU and Neonatology, has become a key European player in the critical care market.

HIM is serving more than **50 prestigious hospitals** in Germany, Belgium, Austria, Switzerland and Romania, but also in France. To support its development, HIM has forged **solid partnerships** with major Electronic Patient Record vendors.

- 50 customers, including several University Hospitals
- 20 employees in 3 locations (Frankfurt in Germany, Ghent in Belgium, Alicante in Spain)
- More than 3 000 intensive care beds equipped

**The strategy** that led to this acquisition is crystal **clear**: it aims at strengthening **Evolucare's positioning in the Critical Care field** with a leading software solution that will help meet our European ambitions:

- Offer a natively integrated PDMS suite for the European markets. Qcare complements Evolucare Anesthesia and Evolucare Oproom solutions to form a unique and differentiating software solution suite,
- Gain a foothold in **DACH market** (Germany, Austria, Switzerland), where growth is particularly strong, supported by massive investment plans,
- Strengthen Evolucare Critical Care **software development factory** with new multidisciplinary teams.

**Essling Capital** and **Evolucare** would like to thank our advisor **Pramex International** for their support in this transaction.

*« Over the past 25 years, HIM has invested heavily in the QCare solution to become a major European player in critical care software. We are now ready for the next step: to become a European leader together with Evolucare. I am convinced that our teams, our products and the professional approach of Evolucare and HIM are perfectly suited to achieve our European goals ! »*

**Stephan LETSCHERT**

Founder and CEO - HIM

*« This opportunity to enter the German market, the largest in Europe, is fundamental to our growth and international development. Germany is also the starting point towards Eastern Europe and an interesting opening towards Scandinavia.*

*We are delighted with this acquisition, which takes us to a very important stage. »*

**Elie Le Guilcher**

President - Evolucare Group

*« This acquisition marks a new era in Evolucare's growth trajectory. We are strengthening our position in the Critical Care software market while taking a decisive step in the international development of Evolucare Group. With HIM, Evolucare becomes one of the leading players in this market on the European scene. »*
